PLAY IN THE PARK
July 2026

HOW DO I PLAY?

July is National Parks & Recreation month. So, let's go PLAY in the PARKS! Pick up your game board at the Burien Community Center or print it from our website and follow the path to fun prizes. Spend the month of July checking out Burien's great parks. Then explore the park and take a picture with our friend, Captain Billy the Duck. Send your pictures to **parksinfo@burinewa.gov** so everyone can follow the adventures through the month on social media. Do you have to visit the parks in order? Of course not. As you visit a park, check it off on the game board.

PRIZES?

Oh yes, there are prizes! When you hit the halfway mark on your game board, **stop by the community center to get a stamp and claim your halfway prize**. You must have at least **5 parks crossed off** your game board to receive the halfway prize. These prizes will be **available on or after July 10th**. Want another prize? Continue through the month and finish your game board, bring it back to the community center and receive a completion prize. There might even be a few surprises throughout the month. **Stay connected on social media at Burien Parks, Recreation and Cultural Services on Facebook and Instagram.**

When you send us a picture, we'll enter your name in a **drawing that will take place on August 5th**. So, get those pictures sent to us. For every picture, your name will go into the drawing. Remember, **parksinfo@burienwa.gov**.
